The mission of The Office of Career Management is to provide highly personalized services to develop the best prepared job seekers and be every employer’s favorite place to recruit.
Recruiting top talent for your organization is easy at Fisher. Our dedication is to connect you with candidates who are a perfect fit for the needs of your organization. To help you plan your Autumn Semester 2020 recruiting at Fisher we have made the decision to focus solely on supporting remote or virtual recruiting strategies. The Recruiting Operations Team is ready to help organize video interview schedules, promote on-line information sessions, and make the most of the virtual Fisher Fall Career Fair.

The Ohio State University and the Fisher College of Business utilize the Handshake system for organizing recruiting. Using one platform enables employers to post jobs to multiple majors and degrees across the Ohio State campus. In addition to posting jobs through Handshake, employers can request and build interviews schedules, advertise events and join us for career fairs.

How to Navigate Virtual Recruiting with Fisher

For Autumn Semester 2020
All recruiting activities will be conducted virtually. This includes:
• Fisher Fall Career Fair 2020
• Interviews
• Information Sessions
• Company Office Hours

Getting Started
• Plan your recruiting early to help with promoting your activities to students to maximize your candidate pool.
• Lock in your date by reserving interview dates and requesting information sessions in Handshake.
• We will assist with scheduling interviews via Handshake – please select your interview duration (30, 45 or 60 minute interviews) and be sure to attach your job posting to the interview schedule. Students crave details.

In Advance of Virtual Recruiting Activities
• Everything flows through Handshake! Always add your interviews, information sessions, job postings and office hours to Handshake so everyone at Ohio State and Fisher is aware of your recruiting intentions.
• Work with the Recruiting Operations Team or your favorite staff member to get started. Let us know what you are interested in accomplishing and we can provide insight on how to make that happen remotely.
• Ask for help with promoting your activities to students – we are here to make this easy.
Students will have a period of time to apply for the interview opportunity (usually 2 to 3 weeks).

Employers can review resumes as students apply and make candidate selections for interviews after the deadline for submitting resumes has passed.

Students will be notified via Handshake if they have been selected or declined for an interview.

Selected students will schedule their interview times in Handshake.

Employers can view their final interview schedule in Handshake when the schedule closes.

The Office of Career Management will reach out to the scheduled students prior to the interview date to confirm their interview and provide the details on how to connect for their virtual interview.

It’s important to communicate how the virtual interviews will take place.

When setting up the virtual interview schedule in Handshake, please provide the following information in the Interview Schedule Description box:

A. Employers can add the link and directions for how students are to connect for the interviews.

B. Employers can inform students that someone from the company will reach out to them prior to the interviews to provide directions for how to connect for the interviews.
Events

Fisher Fall Career Fair

Fisher Fall Career Fair 2020 will be hosted virtually using the Handshake Career Fair platform. Fisher Fall Career Fair is held early Fall Semester, it's Fisher's biggest recruiting event attracting over 130 employers and 2000 plus undergraduate and graduate business students. Registration opens early summer in Handshake.

Fisher Spring Internship & Job Fair

Fisher Spring Internship & Job Fair is held each Spring Semester to provide employers one more chance to recruit both Fisher undergraduate and graduate students for internships and career positions. Registration opens mid-November in Handshake.

Not Another Career Fair Event

Not Another Career Fair is an opportunity to meet with Fisher undergraduate students to discuss your company, the jobs you recruit for and answer questions students might not ask at a typical career fair. This event is casual- students can come straight from class and there will be food and a DJ to help put the students at ease. This event is held each fall and spring semester. Contact Mark Wilson at Wilson.46@osu.edu

Marketing and Promotional Services for Events

The Office of Career Management can help you promote your events

- We can add a slide to our display monitors around Fisher and virtual slide deck that is promoted to students
- We're happy to send targeted emails to students
- We'll post information about your event on the Office of Career Management LinkedIn page

For Connecting

BUSADM 2601- Job Search Preparation and Transition to Work
In BA2601, students learn the art of resume and cover letter writing and have class sessions and assignments focused on interviewing, negotiating salaries, networking, navigating a career fair, utilizing social media and creating a personal brand. This course is taught in both an in-person format and a 100% distance learning format and is offered Fall, Spring, and Summer semesters.

For the in-person section, contact Audrey Bledsoe at Bledsoe.38@osu.edu.
For the online section, contact Lauren Kume at kume.5@osu.edu.

BUSADM 2600- Undergraduate Speaker Series
This is a great opportunity for students to learn about business specializations from Alumni. Speakers are brought in from each specialization to discuss what they are doing, why they selected their major, why their personality and skill set fit with their major/career, etc. Students have the opportunity to have lunch with one or two speakers to talk more in-depth with them about their career choices. This course is taught Spring semester.

Contact Katie Passen at Passen.13@osu.edu

Employer of the Day
Connect with Fisher students for a casual networking opportunity. Career Management will work with employers to advertise the event to the students.

Contact Susan Geier at geier.3@osu.edu

Job Shadow Program
Promote your company by participating in the Fisher Undergraduate Job Shadow Program! This opportunity allows undergraduate business students to preview your company and explore career paths. This program takes place at various company locations throughout Ohio during university breaks.

Contact Katie Passen at passen.13@osu.edu

Office Hours
Spend the day at the Office of Career Management meeting with students. You can meet with students to review resumes and help them prepare for the career fair, or use the day to meet with students to answer questions about your company and the positions you recruit for. We will create your Office Hours schedule in Handshake for students to select times to meet with you.

What makes Fisher a Unique Recruiting Destination?
How we prepare undergraduate students for their interview experience.

Fisher's Qualified Undergraduate Interview Candidate (QUIC) program certification ensures students are ready to interview and recruiters who interview Fisher students are spending time and energy on candidates ready to share why they should be hired.

**QUIC Certification means a student has:**

- Completed an online course for interview prep
- Prepared for a mock interview by studying a job posting connected to their academic major and job search phase (intern vs. full-time)
- An understanding of why they want to work for the company they are mock interviewing
- Passed a graded QUIC Interview (mock interview) with trained Career Management staff – students are required to receive a mastery score to become QUIC certified.
- The privilege of participating in on-campus interviews organized through Handshake by the Fisher Office of Career Management

Interviewing at Fisher means you will interview students who are ready to communicate why they are interested in your company, your job or internship and why you should hire them. This all translates into an effective and efficient trip to interview on-campus at Fisher. It’s worth the trip.

Policies For Making Offers
To Undergraduate Students

We recommend that employers do not place unnecessary pressure on students to accept a job or internship offer. Fisher prohibits exploding offers, defined as offers that require students to decide within a very short amount of time or face having the offers rescinded. These offers put a great deal of pressure on students to make a decision before they have completed the interviewing process. These recommendations are supported by the National Association of Colleges and Employers.

Early Offers:
For students who receive offers for internships or full-time positions before the start of the next academic year, the offer should remain open until October 1 preceding the summer internship or full-time start date.

Fall recruiting:
For students receiving offers for internships or full-time positions during the fall recruiting season (that are not “early offers”), the offer should remain open for a minimum of 4 weeks from the date of the written offer, or until November 1, whichever comes later.

Spring recruiting:
For students who receive offers during the spring recruiting season (that are not “early offers”) up until April 15, the offers should remain open for a minimum of 3 weeks from the date of the written offer.

All offers must be made in writing:
Written offers can be in electronic or hard copy form. The start of the offer decision timeline is determined by the date of the written offer letter.
A Destination For Recruiters: Recruiting Fisher Graduate Students

Function Specific Programming

The various functional pursuits of graduate business students often present unique processes and/or obstacles. As a result, OCM staff regularly design and facilitate programs with the aim of preparing students for these unique challenges. Examples of past programs include “bootcamp” trainings for the consulting and marketing job searches as well as student treks to employers in specific areas such as technology, finance, and operations.

If you are interested in being a part of a program specific to a functional area please contact Alex Toomey at toomey.25@osu.edu.

Full-Time MBA Corporate Mentor Program

An opportunity for employers, recruiters and industry experts to offer mentoring and career advice to full-time MBA students. Program is designed to be informal and commitment can be short-term or long-term with students driving the process to help ensure that conversations and/or meetings meet their goals and objectives.

For Connecting

Graduate Career Foundation Seminars

Program designed to engage new graduate students from the MAcc, MHRM, SMF and MBLE programs during their first semester at Fisher. Organized by specialization, the Career Foundation Seminars provide early exposure to industries and career fields to help students determine their personal career plans. Employers are encouraged to participate through expert panels on careers and industries as well as sponsoring the seminars.

Contact person: Steve Singer, singer.11@osu.edu

MAcc Welcome Reception

Program designed to connect the incoming class of Master of Accounting (MAcc) students with employers and local alumni during their first semester at Fisher. Organized by the Office of Career Management, this event occurs in the University Suite at Ohio Stadium and attracts a diverse group of employers and alumni from a variety of industries. Reception attendees mingle with the incoming graduate students and participate in guided tours of the stadium.

Contact person: Steve Singer, singer.11@osu.edu

Career Foundation Conference

This event is a 2-day conference in mid-August for incoming students in the full-time MBA program. The conference includes keynotes, panels, and small group job search activities. The goals are to educate students about career development topics and introduce students to company representatives to learn about industries and functions of business. This is a great way for company representatives to participate and to enhance visibility and gain early access to full-time MBAs who are eager to learn about companies interested in recruiting.

Policies For Making Offers

To Graduate Students

We recommend that employers do not place unnecessary pressure on students to accept a job or internship offer. Fisher prohibits exploding offers, defined as offers that require students to decide within a very short amount of time or face having the offers rescinded. These offers put a great deal of pressure on students to make a decision before they have completed the interviewing process. These recommendations are supported by the National Association of Colleges and Employers.

Graduate Student Summer Internship Offers:
We recommend that you allow graduate students until February 15th as the earliest date for accepting any summer internship offer. The decision of where to complete an internship is very important and we are hopeful you concur that giving students ample time to make these decisions beyond their first semester is of mutual benefit. In situations where students are sure of their decisions, we will certainly encourage them to accept summer internship offers as soon as possible.

Fall recruiting:
For students receiving offers for full-time positions during the fall recruiting season, the offer should remain open for a minimum of 4 weeks from the date of the written offer, or until November 1, whichever comes later.

Spring recruiting:
For students who receive offers for full-time positions during the spring recruiting season, the offers should remain open for 4 weeks from the date of the written offer, or until April 15, whichever comes later.

All offers must be made in writing:
Written offers can be in electronic or hard copy form. The start of the offer decision timeline is determined by the date of the written offer letter.

Second round interviews:
We recommend that employers provide multiple options for second-round, off-site interviews, so that students are not put at a disadvantage when prioritizing and managing class requirements and campus activities.
