*Blue shades mean that you will have to take multiple foreign courses to match the OSU Course.

*Green shades mean that you will earn credits for two courses at OSU for the foreign course(s) you take.
*Yellow shades mean that you will have to pick one OSU course that is attached to the foreign course.

| COURSE GUIDELINES |
|--|
| Students are limited to this list for direct equivalency courses and required to follow course guidelines for exchange when selecting courses at the host institutions for your Student Exchange Program. You may find the course guideline at http://go.osu.edu/ExchangeCoursePlan . |

*Information listed are subject to change.

*The above past course equivalency list provided by the Office of Global Business is a list of course equivalencies that have been approved in the past and this data is shared as a reference. It is NOT guaranteed that these courses will be offered on the term you go abroad, nor that these courses are equivalent to Ohio State University's currently offered courses. It is strongly encouraged to have back up plans

*You are limited to this list of courses for direct equivalency. You are free to take courses offered at our partner institution outside of this list, but courses not on this list will come back as a free elective course (BUSADM 5797: Study at a Foreign Institution).

*If course numbers or course titles of the foreign course are different from the ones on this list (one or both), it will be considered a course which has not been evaluated and will be brought back as a free elective course (BUSADM 5797: Study at a Foreign Institution)
