

Energent Solutions is recruiting for an internship designed for current college students, seeking a career in energy, sustainability or consulting. An internship at a small company is a terrific way to learn business skills, build your network and get hands-on experience before graduation. The firm is seeking a detail oriented team player to join our team for a **full-time paid internship**.

Energent Solutions is a professional services firm with energy and sustainability practices. We are committed to providing prompt, precise and professional services to our clients in a variety of industries including financial services, healthcare, higher education, state and local governments, and other corporations.

The culture at Energent is fast-paced and full of variety. If you are looking for a career with a firm whose sole focus is working collaboratively to solve complex problems, and where all employees are loyal professionals that take pride in their work, Energent Solutions may be right for you. We are a diverse team of professionals dedicated to energy management and sustainability consulting.

Essential skills/experience:

The successful candidate for this position will have, at minimum, the following skills and experience.

- Self-starter with initiative to seek out opportunities in a fast-paced environment.
- Personable, previous experience in an office environment with the ability to ensure professional client experiences.
- Integrity and high value on ethical and moral behavior.
- Exceptional attention to detail.

Required

- Pursuing a Bachelor's Degree in Business, Communication, Engineering or related field
- High proficiency in Microsoft Office (Word, Excel, PowerPoint)

Preferred

- Strong interpersonal skills
- Experience with large data sets, identifying trends, and measuring against stated objectives
- Excellent communication skills, both written and verbal
- Strong leadership, multitasking and organizational skills

Desired

- Experience in energy or sustainability
- A GPA of 3.0 or higher
- Energy Star Portfolio Manager proficiency
- Experience in salesforce.com

Candidates must be legally authorized to work in the United States without sponsorship. This position is physically located in central Ohio and no relocation is offered.
