Year End Celebration Dinner

On April 25 we had a year-end dinner to celebrate the completion of year 1 of the program, get mentors and Pathways scholars together and to send the students off for their first summer off after a busy 1st year of college. All of the young ladies will be busy with summer jobs, with several taking summer internships including one with Wendy’s QSCC. A total of 17 people gathered for dinner at Eddie George’s Grill (which moved recently and took over the space formerly occupied by Buckeye Hall of Fame Grill ----- either way, OH....). The group include rising sophomores Chloe Felice, Charlotte Fore, Morgan Martinez, Mackenzie McMullen, Megan Myers, Hannah Richardson, Claire Thompson and Amy Zucker. Motorists Insurance was represented by Stephanie Morgan, DJ Devaney and Cheryl Stagg. Wendy’s QSCC was represented by Kim Allen, Krista Pohlman and Katelynn Rossi. Ken Boyer and Mi Kyong Newsom represented Fisher/OSU. A very warm note of appreciation to Motorists Insurance and Wendy’s QSCC for their financial and time commitments to supporting these young women during the past academic year.

Plans for 2017-18 Academic Year

Having completed a very successful year 1, our plan is to continue this program with a new group of scholars for next academic year. The ladies from this year’s program will continue to be invited to events on a selective
basis as appropriate. Our hope is to help build out a ladder of talented female students interested in careers in supply chain management.

We are delighted that are founding sponsors: Motorists Insurance and Wendy’s Quality Supply Chain Co-op are on board to provide financial sponsorship – to the tune of $10,000 each – for next academic year. Thank you!

In addition, we are excited to announce two new sponsors – General Motors and Sherwin Williams Paints. Each of these companies will donate $5,000 and become Grey Sponsors. With their addition, we will be sending out a call for applications to women in the entering class for Fall, 2017 at Fisher. We will be able to provide 12 scholarships in the amount of $2500 each.
