INSURANCE MINOR

The Insurance Minor is designed to provide students across all university departments with an opportunity to complement their major studies with knowledge of the insurance industry; to engage students from a variety of departments to create an interdisciplinary classroom experience; and to prepare students for various employment opportunities in the field of insurance.

The Insurance Minor does not have an application process. In order to graduate with an Insurance Minor, you must fulfill the guidelines listed below. No approval from the Fisher College of Business is required.

**Some courses in this minor may have prerequisites. Please consult the course bulletin before enrolling in courses.*
